BOUTIQUE HOTEL

WELCOME TO STANWELL HOUSE HOTEL

STANWELL HOUSE is a privately owned boutique hotel and restaurant situated in the centre of the picturesque Georgian market town of Lymington by the Solent, one of the south's most attractive and historic locations. Being on the doorstep of the New Forest, recently established as a National Park, the area is home to some of the most stunning scenery in England and boasts a reputation as one of the world's top sailing destinations, drawing sailors from all over the world.

The hotel is both cosmopolitan and stylish and offers guests a friendly and efficient, yet unobtrusive service within a sumptuous and welcoming environment.

Within the hotel we offer four complementary experiences and each of these is described under the following headings: STAY - for those guests who are visiting us for one or more nights; INDULGE - for those guests who are taking advantage of our wonderful restaurants, conservatory and bar; FUNCTIONS - for those guests who are holding their wedding or corporate function with us; EXPLORE - for practical information about the hotel and surrounding area.

Whether it be for the first time, or as a returning guest, we look forward to welcoming you to Stanwell House.

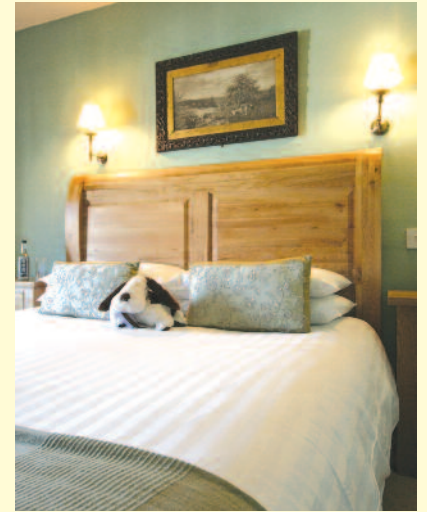

Robert Milton & Victoria Crowe, Proprietors

TWO SEPARATE

SEAFOOD AT STANWELLS is widely regarded as one of the finest fish restaurants for many miles and our focus is on fresh fish, where possible locally caught and presented in a simple but stylish way. From our Seafood Temptations and cheeky 'Bits on the Side', to our mouth-watering main courses we offer the very finest food in a relaxed and contemporary environment at the front of the hotel, and both our restaurants are popular with locals and visitors alike. We will, of course, always try to accommodate everyone, but we do strongly recommend booking in advance throughout the year to avoid disappointment. Non-residents are welcome in both our restaurants and we also offer an 'Any Time' menu in our conservatory.

DINING STYLES

“ WE ATE IN BOTH RESTAURANTS – WE WERE SPOILT FOR CHOICE IN DECIDING WHAT TO CHOOSE FROM THE EXTENSIVE MENU. OUR CHOICES DID NOT DISAPPOINT IN TASTE, QUALITY AND PRESENTATION. AND SERVICE WAS FIRST CLASS THROUGHOUT. ”

C Couch

The food is contemporary European and caters for even the most discerning tastes. All of our produce is sourced locally wherever possible and the hotel is an authorised supplier of The New Forest Marque which promotes high quality local produce. Modern furniture blends with period features to provide a comfortable and welcoming atmosphere where you can choose from an extensive menu to suit all tastes and moods. Advance booking is recommended. Any special dietary requirements can be catered for, please do not hesitate to ask.
